The Rotary Club of Albuquerque

The Rotary Club of Albuquerque
is turning 100 years old in 2016, and they are
co-hosting this event to support their
Centennial Signature Project—

Explora's
Working Together to Build a Village
which will be developed on an existing rooftop
deck at Explora. The project will provide a cover
for year-round enjoyment, during which a design-
build process will lead students of all ages to learn
about science, engineering, construction
architecture— well beyond what could be
accomplished in a classroom, book, or lecture thus
supporting Albuquerque's important efforts to
improve workforce development in these fields.
Help Rotary Club of Albuquerque continue their
long history of service, and celebrate
100 Years of Supporting Albuquerque!
